EDUCATION

Team Treehouse, Online — *Full-Stack JavaScript TechDegree*

JULY 2020 - DECEMBER 2020

This is a project based bootcamp that covers the fundamentals in HTML & CSS, JavaScript, Node.js & Express, Sequelize & Postgres as well as React. Peer reviews and an active slack channel are part of every project.

Foothill College, Los Altos, CA — *No Degree (3.4 GPA)*

FALL 2016 - SPRING 2020

C++ , Physics, Calculus , General business

42 (piscine), Fremont, CA — *Completed*

APRIL 2017

C Programming Bootcamp. Git, basic algorithms, group projects.

EXPERIENCE

Nordstrom, SF Bay Area -*Department Manager*

JULY 2018 - JULY 2020

Coach and develop a team with multiple priorities including sales and fulfillment. Manage inbound and outbound products. Manage customer interactions. Manage vendor relationships. Led a team of 20-25 employees. Responsible within my department for \$7.7 million dollars in annual sales.

Nordstrom, Santa Clara, Palo Alto -*Sales Associate / Assistant Manager*

MARCH 2015 - JULY 2018

Learn effective communication skills. Learn to work well on multiple teams. Hit personal sales goals.

The Table, San Jose, CA — *Line Cook*

DECEMBER 2012 - JANUARY 2015

Cook from scratch hundreds of plates five nights a week. During this time I learned attention to detail, efficiency in repetitive work and pride in owning a craft. All of which I have found applicable to engineering.
